25X1

SUBJECT: Report on Plans for CY 1983 for DCI

1. The DCI has asked for a report from the directorates on "liabilities (vulnerabilities), opportunities, and new initiatives for CY 1983." We are to submit our contribution by 4 January. There is to be no reference to resources.

2. Let's have your ideas, far-ranging. Please submit by 29 December to Don Ruschaupt, and I will discuss our conclusions on 3 January when D/FBIS returns from leave. Total FBIS contribution is to be less than one page; thus ideas, not wordage, are important.
